

Amore e Cultura: A Story of an Italian and Latin American Table

With Guy Grossi and Alejandro Saravia

Proudly supported by Pizzini Wines

An intimate five-course sharing menu inspired by Italian and Peruvian heritage, where tradition, family, and memory meet at the table. Each dish reflects Italian warmth infused with Latin soul - vibrant, generous, and deeply rooted.

A celebration of the simple poetry of sharing, like a love letter from the Italian table while honouring the heart and spirit of the Peruvian mountains.
